A technical presentation on "Linux Migrations - A Case Study of Migrating from MS SQL Server to Sybase ASE on Linux"

Amit Okhandiar, President of mLogica Inc. will present a technical paper and address the Sybase TechWave 2005 Conference on "Linux Migrations - A Case Study of Migrating from MS SQL Server to Sybase ASE on Linux" at Caesar's Palace in Las Vegas on August 23, 2005.

/24-7PressRelease/ - ANAHEIM, CA, August 14, 2005 - Using an actual case study as the framework, Mr. Okhandiar will discuss why one should consider migrating to a Linux and ASE platform. This presentation will review pre and post characteristics of business and technology architecture implications. It will entail the experience of a high growth company that migrated to ASE/Linux in terms of the challenges they faced and the benefits they received.

Event Details:

Who: Amit Okhandiar, President, mLogica Inc.

What: Sybase TechWave 2005 (August 21 - 25, 2005) (Sybase's Largest Annual User Conference and Training Event)

When: August 23, 2005 Tuesday, 2:45 - 3:45 PM PST

Where: Caesar's Palace Las Vegas, NV

About the Speaker:

Mr. Okhandiar has over 16 years experience in managing technology businesses. He is currently President of mLogica, Irvine, CA. Mr. Okhandiar was previously a Director at Sybase, managing their North America Consulting and Competency Centers. Mr. Okhandiar also worked in management roles and has led practices at PriceWaterhouseCoopers for Technology Due Diligence for merger and acquisitions practice, Tandem Computers (now Hewlett Packard) for Worldwide Datawarehousing practice, and Sequent Computers (now IBM) for Western States for Enterprise Architecture Planning, Decision Support, Oracle ERP competencies. Mr. Okhandiar received his BSEE from Illinois Institute of Technology (IIT), Chicago and his MBA from UC Irvine.
